- Notes—April 6th Planning Meeting

• Regularly Schedules Nets

• BARC Calendar

• BARC 2017 Officers & Coordinators

• In Event of an Emergency Incident

• Directions to the BARC Clubhouse

UPCOMING ACTIVITIES

Field Day Committee Meeting (04/18)

BARC Field Day Coordinator Darryl Fowler KD8JQE reports that he will be asking for Field Day Committee volunteers in March to begin the planning of FD activities.

If you are interested in being on the Field Committee or interested and willing to volunteer to be a team leader for one of the Field Day functional groups, please let Darryl know or be prepared to respond to his upcoming request for volunteers. Darryl has previously reported that he already has reserved Sackett Wright Park Shelter #1 for BARC's 2017 Field Day site.

BARC April General Meeting (04/20)

- **7:00 PM:** Pre-meeting Hospitality & Refreshments
- **7:30 PM:** Regular monthly Club meeting
- **Program:** *Getting to Hamvention* by Larry Sacks
- **Business meeting**

Bellbrook Sugar Maple Festival Parade Saturday 22 April 0900

BARC will be assisting the Bellbrook Sugar Maple Festival Parade Committee again this year on

Saturday, April 22nd, by helping to direct parade participants to their line-up positions & by providing communications support for coordination, safety and security. As usual, we need around 12 operators to effectively cover this BARC public service event.

New hams are especially encouraged to come out and work with an experience BARC member to become familiar with public service support activities and procedures.

The SMF Parade starts at 10:30 AM. Operators need to meet at **9:00 AM** in the parking lot of the Bellbrook Community Church on West Franklin Street at Vemco Drive to pick up a line-up sheet, an assignment and a safety vests. Operators need to be at their assigned positions by 9:30 AM to get parade participants lined up by 10:15 AM. Vehicular units on Vemco will "roll-out" at apx 10:15 AM in order to be at the merging point (intersection of West Franklin St and Little Sugarcreek Road) by 10:30 AM.

This is a community service project that BARC has supported since the first Sugar Maple Parade in 1979. So please come out and do your part to make this another successful BARC public service event.

We will use BARC's primary simplex frequency **147.405** for parade operations again this year.

The parade will be held rain or shine unless there is a severe thunderstorm. Weather is unknown at this time but be prepared--bring your rain gear and a

plastic bag to protect your HT, just in case. Also, bring a fully charged battery or a spare battery and an appropriate antenna for your radio.

Contact Don if you have any questions but please plan to help out with this event.

[ARES NVIS Antenna Day \(04/22\)](#)

Also on Saturday, April 22nd, is the 3rd Annual NVIS Antenna Day sponsored by Ohio Section ARES. The purpose of this event is for ARES groups, radio clubs and individual hams to set up, operate and evaluate performance of different types of NVIS antennas by communicating with other hams across Ohio and surrounding states.

Because of increasingly unreliable propagation conditions on the 80m and 40m bands, 160m and 60m NVIS also will be tested during this year's test.

Greene County ARES is planning to hold its 2017 NVIS Antenna Day Event in the large open field behind Bellbrook Middle School located on Feedwire Road just west of the intersection of Feedwire Rd and Upper Bellbrook Rd (traffic light). Starting time and further details will be included in the **Greene County ARES Report** to be distributed today and by an email reminder near end of this week.

BARC members are invited and encouraged to stop by the Bellbrook Site after the SMF Parade to participate or at least visit and observe.

[Greene Co VE Test Session \(4/23\)](#)

The Greene County Spring 2017 VE Test Session will be held Sunday, April 23rd at 6:00 PM at Beaver Creek Township Fire Station 61 on Dayton Xenia Road just west of Orchard Lane. Advanced registration not required—walk-ins welcome. For more information, contact Fred Stone at W8LLY@ARRL.net or call (937) 848-4112.

[Greene County ARES \(04/24\)](#)

The next Greene County ARES meeting will be Monday, April 24th, 7:30 PM, at Beaver Creek Township Fire Department Station 61 Training Room, 1295 East Dayton Xenia Road, just west of Orchard Lane. Further details in the April BARC Newsletter and via the respective email lists.

For more information about Greene County ARES, contact EC Henry Ruminski, W8HJR, at Henry.Ruminski@wright.edu.

[Montgomery County ARES \(04/25\)](#)

The next Montgomery County ARES general membership meeting will be held Tuesday, April 25th, 7:00 PM at the American Red Cross Dayton Area Chapter, located at 370 West First Street, just east of I-75 in downtown Dayton. For more information about Montgomery County ARES, contact EC Rob Flory KA5RUC at KA5RUC@MoCoARES.org

[Dinner & A Movie" \(04/27\)](#)

The next **BARC "Dinner & A Movie" Night** will be **April 27th** (the usual **LAST** Thursday) at **7 PM**.

Tink reports that the **MENU** will feature Sloppy Joes and Pulled Chicken plus desserts and popcorn and the usual soft drinks, coffee and water. The **Movie** will be **NEXT**, a Sci-fi action movie starring Nicolas Cage. Plan now to attend with your significant other for a great meal, a good movie and the usual Fun, Food and Fellowship with your BARC Friends!

[BARC Planning Group Meeting \(05/04\)](#)

The next BARC Planning Group Meeting will be held May 4th (1st Thursday) at 7:30 PM at the Clubhouse. All officers are expected to attend if available and all coordinators are encouraged to attend to participate in the discussions and planning of future BARC activities and projects. BARC members are always welcome to attend.

[MVMA MESH Meeting \(05/13\)](#)

The location and further details of the next Miami Valley Mesh Alliance meeting on May 13th will be confirmed by an email reminder distributed early May.

FUTURE ACTIVITIES

[BARC May General Meeting \(05/18\)](#)

Next month's BARC General Membership Meeting will be held on the regular 3rd Thursday Meeting night (May 18th) at 7:30 PM at the BARC Clubhouse.

[Greene Co VE Test Session \(4/23\)](#)

The Greene County Spring 2017 VE Test Session will be held Sunday, April 23rd at 6:00 PM at Beaver Creek Township Fire Station 61 on Dayton Xenia Road just west of Orchard Lane. Advanced registration not required—walk-ins welcome. For more information, contact Fred Stone at W8LLY@ARRL.net or call (937) 848-4112.

GENERAL INFORMATION & REPORTS

[BARC Communication Center & Antenna Update Project Status Report](#)

BARC Communication Center Coordinator Ken Moak KM8AM submits the following report for the Comm Center and Antenna Update Project:

1. The Club's new 80/60/40 meter Inverted Vee antenna is burning up the bands!
2. Stations One and Four have the 60 meter voice "channels" programmed into memories for easy access for testing.
3. We will be programming all stations with all the voice and data channels soon.
4. Please come down and operate your stations!
5. With Springtime comes Thunderstorms. Please make sure you DISCONNECT all the rotor cables and antennas cables at the jumper panel when you leave. An IC-7300 is a terrible thing to bake.....

Thanks, Ken, for this update report.

[BARC 2017 Meeting Programs](#)

BARC Program Coordinator Ken Moak KM8AM provides the following Schedule of Programs to be presented for the next several Club Meetings. (Scheduled programs are subject to change based upon the availability of the presenter or for other reason.)

- Apr: "Getting to Hamvention," Larry Sack
May: "Pre- Hamvention Discussion" by members
Jun: "BARC 2017 Field Day Plan," Darryl, KD8JQE
Jul: "Weak Signal Operation (JT65, JT9, MSK144, WSPR)," Joel, AC8SM
Aug: "Post FD Wrap Up," Darryl, KD8JQE
Sep: "Emcomm, Mesh & Winlink Digital Communications," Fred, W8LLY & Bill, WA8APB
Oct: "Annual Chili Dinner"

[BARC Weekly Net](#)

Remember to join your friends for the BARC weekly Net on Sunday evenings at 8:00 PM on the BARC 2m repeater, 147.045 (+)(no PL).

The Net provides an opportunity between Club meetings to share news and information about Club and personal projects and activities.

Thank You! to our current regular Net Control Operators Ken Moak KM8AM, Greg Goffe N8DRG, Paul Sharp KD8OPN, Eric Vinande KG6NFJ and Mike Kinsey KD8GME.

[BARC Fundraising Opportunities](#)

• [Kroger's Rewards Program](#)

Please remember to use your Kroger Card when shopping at Kroger's and support BARC through the Kroger Rewards Program. If you have not yet signed up and need help, please bring your Kroger Card to the next BARC meeting and we'll help you get registered.

• [AmazonSmile Rewards Program](#)

BARC is now registered in an Amazon rewards program called **AmazonSmile**. Charitable and non-profit organizations receive **0.5%** of total purchase price (small but it adds up over time). A web page of basic Q&A info on the AmazonSmile program is available at:

http://smile.amazon.com/about/ref=smi_se_ft_abt_saas

You must shop through **smile.amazon.com** for BARC to receive benefits. You can use your existing Amazon account. To sign up, simply select Bellbrook Amateur Radio Club as your preferred charity when prompted.

AmazonSmile is a simple and automatic way for BARC members (and family and friends) to support BARC, at no cost to you, every time you shop at Amazon. When you shop at smile.amazon.com, you'll find the exact same low prices, vast selection & convenient shopping experience as Amazon.com, with the added bonus that Amazon will donate a portion of the purchase price to BARC. So, be sure to register in AmazonSmile the next time you shop at Amazon and then log back in at AmazonSmile.

[ARRL Discounted Membership Offer](#)

BARC members are reminded that one of the benefits of Club membership is the opportunity to become an ARRL member at a discounted price.

BARC is an ARRL affiliated club and receives a commission for new first-time ARRL memberships transacted through the Club. BARC passes on this discount as a club membership benefit in order to promote ARRL membership.

BARC members currently receive a \$15 discount on a NEW first year ARRL membership cost when placed through the Club. Please contact BARC Treasurer Paul Sharp KD8OPN for details.

PAST ACTIVITIES

Minutes-March 16th Dinner Meeting

By Steve Siwecki KD8NUC

March 16th marked the 2017 Annual BARC General Membership dinner meeting held at the Golden Corral in Beavercreek, Ohio. Dave Walton KD8GCR led the thirty (30) club members and family in attendance in prayer prior to the meal. Everyone enjoyed the food, fun and fellowship. No business was conducted

Planning Group Notes—Feb 2nd, 2017

By Steve Siwecki KD8NUC, Secretary

Officers Present:

Chris Stauter KD8APN, President
Paul Sharp KD8OPN, Treasurer
Steve Siwecki KD8NUC, Secretary
Don Parker KB8PSL, Jr. Director
Jim Totten WA8HUB, Sr. Director

Functional Coordinators Present:

Jim Lusk KC8EFD, Clubhouse
Karen Moak, KM8Q, QSL and Logging
Ken Moak, KM8AM, Communication Center
Russ Roysden N8NPT, Repeater
Fred Stone, W8LLY, Edu./Emergency/Newsletter
Tink Siwecki, KD8NUA, Hospitality/Librarian

General Membership Present:

Henry Bussey W8TOG
Roger Parrett NQ8RP
Dave Walton KD8GCR

Officers Absent:

Ray Hitt N8VMX, Vice President

The Meeting was called to order at 7:35 by the President.

BARC Website and Related Internet Services.

Russ Roysden reports that BARC's internet service security issues related to changes in personnel have been handled. The webmaster position is open; volunteers will be sought; an announcement will be made at the April General Membership Meeting. HTML knowledge not needed with BARC's current software (i.e. CMS based Drupal).

Repeater Status. Changing weather may give rise to noise in the repeater. This will likely disappear when the new hardline is installed.

The 440 MHz repeater will be sent for the firmware upgrade at the end of April. There will be no alternate 440 MHz repeater service during the time the repeater is out.

BARC T-Shirts. T-shirts have been received from the vendor and available for distribution. Thank you to Russ for his work on the T-Shirt order.

Paper and Electronic Logging. Karen Moak reports that she has data to submit to e-QSL for the recent contest. There are currently no new QSL cards for processing.

Repeater Site Internet. Fred Stone reports that the internet is available at the site. The physical access points need to be identified. Russ will contact the site owner to arrange a meeting for said information. Otherwise everything (router, etc.) is ready to go.

Spring 2017 Ham License Courses Fred Stone reports that the current courses will conclude this coming Sunday—09 April. The exam session will be held two weeks later—Sunday 23 April.

Clubhouse Emergency Lighting. Fred Stone continues to work the emergency lighting project. He currently plans to test out at least two types of units and then down select (or reject both if necessary).

Repeater Site Hardline. Ken Moak is able to procure 7/8" hardline for 2.95 per foot; 1000-foot minimum, on behalf of BARC. The current plan is to replace two 300 foot runs of hard lines at the repeater site. Perhaps sell the unused balance of the 1000-foot roll or make a joint purchase with another organization. Perhaps also seek a grant to defray the additional cost. The Planning Group consents to the purchase with the following plan:

- Ken M. to obtain price, shipping and holding fee/down payment.
- Fred S. to investigate grant proposals to cover additional costs over initial estimates; perhaps in conjunction with GCARES.
- Ask members for donations.
- Russ to coordinate delivery logistics to and security at repeater site with the site owner.
- Sell old hardline for scrap copper.
- Ken M. to investigate "N" or "UHF" connectors.

6m FM Repeater Donation. Russ is in the process of locating said repeater equipment.

BARC Clubhouse MESH Node. The Cat-5 cable has been delivered to the clubhouse. The Mesh antenna will be installed pending Chris Stauter's availability.

Old Repeater in Storage. Fred Stone reports that said repeater belongs to GCARES and that he will remove it pending the establishment of a path to roll it from the storage room and out of the building.

BARC EchoLink/IRLP. Eric Vinande KG6NFJ reports in absentia “the EchoLink/IRLP hardware installation is “awaiting internet access at repeater site”.

HT's for New BARC Hams. Eric Vinande reports in absentia that “HTs will be programmed and ready to present to new members at the 20-Apr meeting”.

Eric Vinande reports in absentia that “**Int'l Marconi Day event** (21-Apr, 8pm (EDT) -> 22-Apr, 8pm) does not require a specific log format so we can just type up any paper log entries for a club certificate (<http://gx4crc.com/imd-award/>)”.

Future Contests. Eric Vinande reports in absentia that

- No major contests scheduled before Field Day. Rookie Roundup (Phone) is 16-Apr, 2-8pm EDT.
- There are always special event stations every weekend and smaller contests year-round:
 - http://www.arrl.org/special_events/search/page:1/model:Event
 - <http://www.arrl.org/contest-calendar>
 - <http://www.hornucopia.com/contestcal/contestcal.html>

BARC Financial Report. Treasurer Paul Sharp reported the interim period financial summary:

Paul also reported that:

- All but two or three T-Shirts have been picked-up and paid for.
- updated equipment insurance premium has been paid.
- liability insurance will be paid soon.
- Four HT's were purchased and delivered to Eric V. for programming (see above).

Communication Center Update. Ken Moak reports the following:

- **Rotors:** Rotor work is complete for tower 1; tower 2 work is pending good weather and availability of Chris Stauter. Ken reminds everyone to disconnect the antennas and rotors from the patch panels when not in use for lightning protection.
- **Station Integration.** The antenna works great on 60-m. Station 1 memory #'s 1-5 have been programmed for voice. Data not been programmed.
- **Antennas.** Working on different matching network for 160m since antennas are (unfortunately) not being disconnected. Need something that's DC connected always.

General Membership Meeting Program topics:

- Larry Sack N8QMN will be present for the April meeting Program on Hamvention Parking.
- Suggestion on possibility of having Luso present a video at the May Movie night on a new custom antenna design.

• **Ohio State Parks on the Air (OSPOTA) 2017.** No Report.

• **Sugar Maple Festival Parade.** Don Parker reports that he need pacers at Key bank and the review stand plus, an additional operator to assist Mel Metzler KD8VWC at Dot's market.

Sunday Night BARC Net. Ken Moak: Would adding a text message reminder for the BARC net be a benefit? This can be done but after some discussion the Planning Group suggests e-mail only would be best.

School, Clubhouse and Roof Access Key's. Henry Bussey is updating the list of BARC members with BARC access keys. Jim Totten has a magnetic key hook for storing BARC keys on the side of the filing cabinet or they can be stored inside the cabinet. Reminder: Check/secure both exterior doors when leaving the club

Field Day Meeting. April 13th meeting postponed; new time TBA.

Sale of donated equipment. One-Third of the items have been inventoried. Some has been sold; sale progress slow.

Movie Night Surround Sound. Item Closed; other donated audio equipment has a sale pending.

Repeater Site Generator and Gravel Bed. May no longer be necessary. If existing site 24 KW emergency generator is operable/repairable then a gravel bed will not be needed (POC Chris Stauter).

Clubhouse Security. Camera's, Key Fobs (with ID), and Keyless entry were discussed. Other security concerns and ideas were discussed – no firm conclusions.

Adjournment. The president adjourned the meeting at approximately 8:49 PM.

Please see below for:
